VILLAS DEL TENIS

ABAMA RESORT TENERIFE

Sustainable elegance, exclusive privacy

Las Villas del Tenis are an exclusive collection of small masterpieces from the award-winning architectural team of Virgilio Gutiérrez and Eustaquio Martínez, who designed not only the Tenerife North Airport, but also numerous other private and public projects throughout the Canary Islands. At Abama, they created our Bellevue villas, which were named "Best New-Builds of the Decade" by the island's Architectural Association, and one of their Abama Custom Villas was awarded Second Place in the College of Architects of Tenerife's 2018-2020 Architecture Awards.

Epitomizing the serene tranquility of this luxury residential resort, Las Villas del Tenis's 3-bedroom homes are a haven within our international resort community. The private pools and garages offer space to retreat and relax, or you can venture into our Plaza Abama social hub, where restaurants, shops, a gym, a beauty salon, and a spa will await you.

All residences are designed with the latest energy conservation systems to maximize sustainability in one of Europe's top destinations.

The beating heart of our community

Our brand-new €14 million complex, Plaza Abama, is located at the heart of the resort and is the social hub of Las Villas del Tennis and Los Jardines de Abama. They share the Reception Area and concierge services, as well as three heated swimming pools and a fitness center. Over the coming years, Plaza Abama will also become home to luxury boutiques, a supermarket, several restaurants, and a spa, wellness, and beauty center.

TENNIS

Tennis & pádel

Quality is the name of the game at the Abama Tennis Centre. Our complex features 7 professional-grade tennis courts with Flexi®-Pave surfaces and 4 AstroTurf pádel courts, as well as a centre court that can accommodate up to 600 spectators. Players will also enjoy the covered rest areas, shop, changing rooms, dedicated parking facilities and, soon, a Tennis Club with bar service.

Michelin-star restaurants

Three of Tenerife's seven Michelin Stars have been awarded to restaurants at Abama, and our resort has become a true gastronomic destination for fans of famed Basque chef Martín Berasategui. Whether it's fine or casual dining you crave, from near or far, our 13 restaurants will delight and inspire.

M.B ❀ ❀

Abama's signature restaurant was the first on the island to earn two Michelin Stars for its inspired and inventive Basque cuisine. Martín Berasategui's longtime collaborator and protégée, Erlantz Gorostiza, has helmed the kitchen for seven years, applying expert technique to fresh local ingredients.

Kabuki ❀

Ricardo Sanz's Kabuki first earned its Michelin star in 2012, and since then it has continued to deliver distinctive Japanese flavours fused with traditional Western culinary techniques. The result is always visually stunning and impeccably delectable, with a view to the ocean to match.

Melvin

This latest addition from the Martín Berasategui-Erlantz Gorostiza team has made its home in Las Terrazas de Abama Suites, in a beautiful light-filled space with a broad terrace that looks out to the Atlantic and the island of La Gomera. Here, light and inventive Mediterranean fare has come home to roost in a casually elegant environment.

Tágara

Embark on a culinary journey that celebrates the rich flavors and traditions of Canary Islands gastronomy. Tágara's gourmet twist on local fare makes it more than just a restaurant; it's a celebration of our community, a gathering place for friends and loved ones, and a culinary experience that will leave a lasting impression.

Kids Camp

This spectacular addition to the amenities offered by Abama is a joy for children and parents alike. Open every day with a flexible schedule depending on the activities and needs of guests and residents, this is a destination for pure learning and enjoyment that will give your smallest family members incredible insight into what makes Tenerife unique. Art, science, sport, and culture all have a place here in our home for explorers aged 4-14.

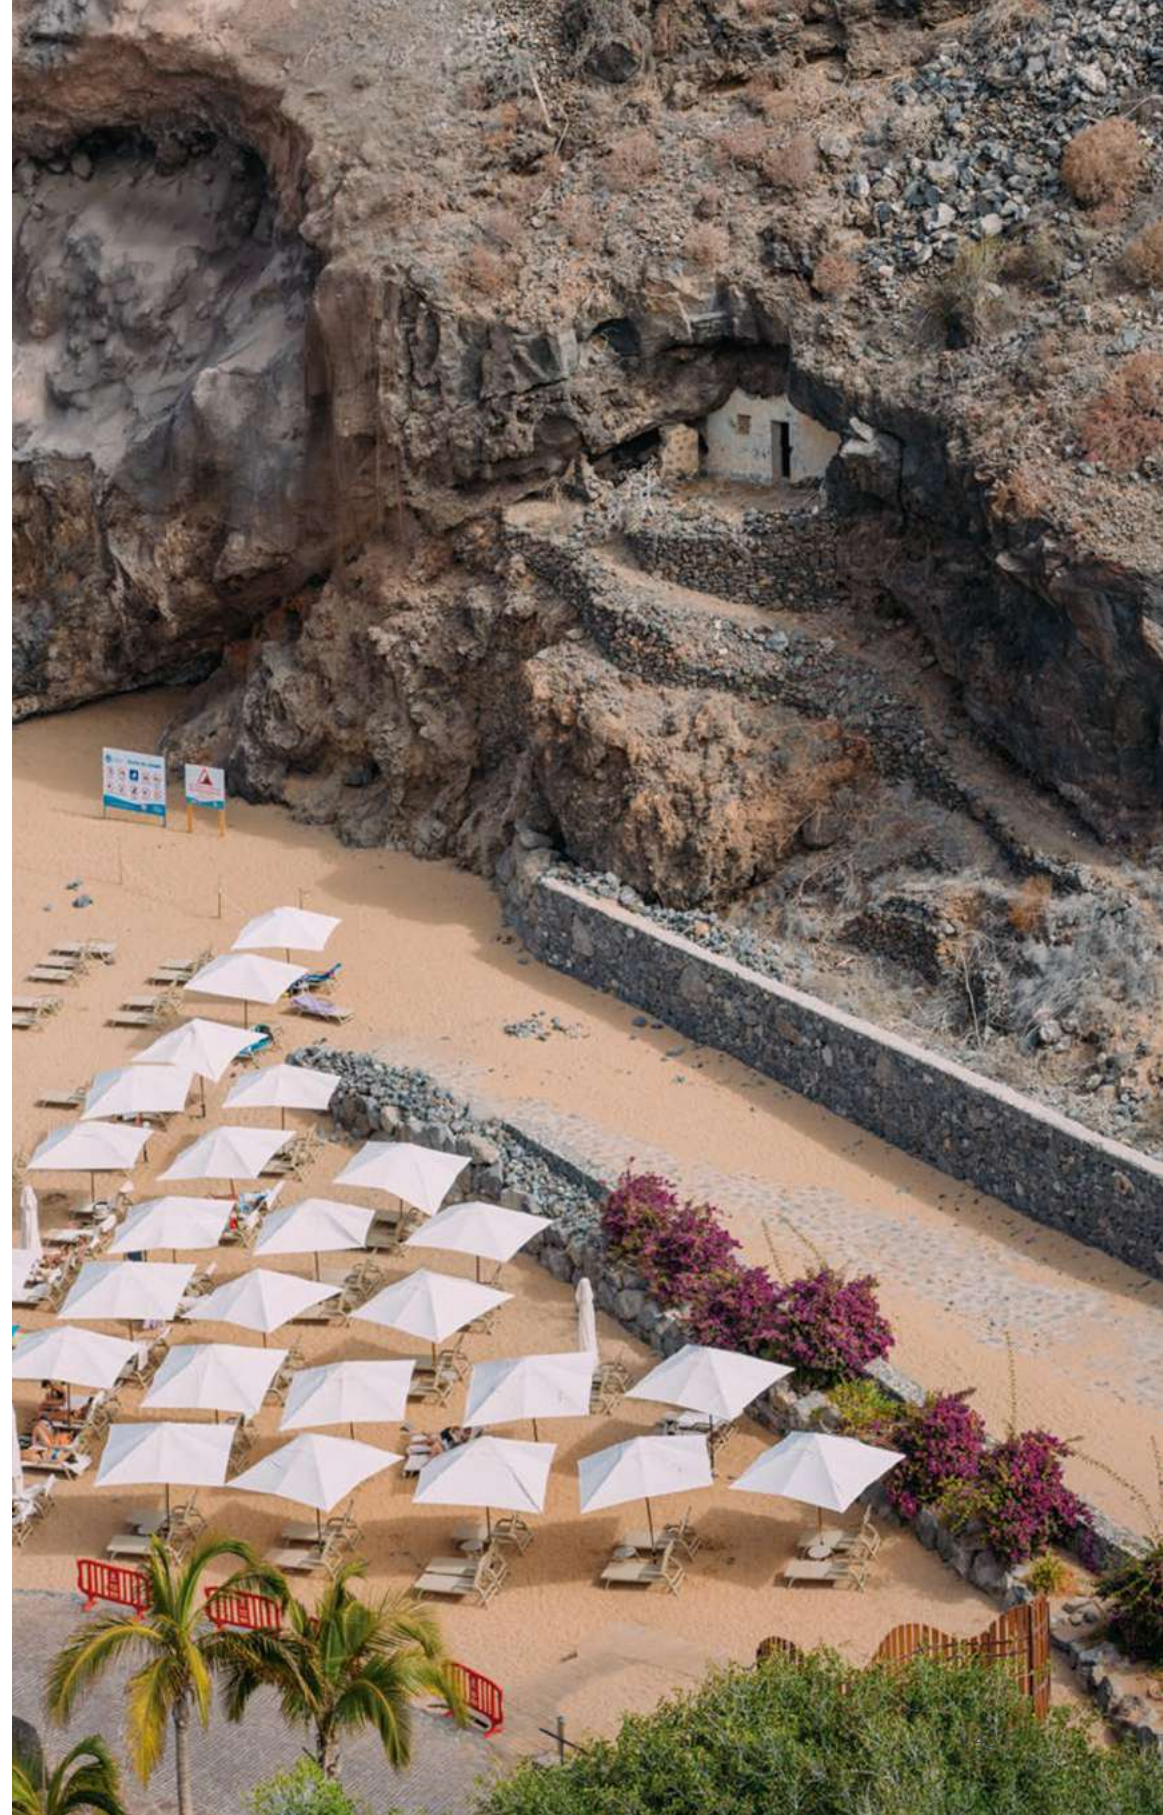

Abama Beach & Beach Club

On an island famed for its beaches, Abama's is a standout. Walk out your door and you can be oceanside in 10 minutes, enjoying a near-private cove with crystalline turquoise waters. The full service beach restaurant is perfect for a cocktail, a light lunch, or a moment in the cooling shade.

ABAMA
HOTELS
